

THE SECRETS OF THE SON OF GOD

“I, Judas”

(January 14, 2018)

(John 13:18-30)

Small Group Study Notes

Read the text, and after listening to the sermon, answer these questions.

- 1) What do you think drove Judas to betray Jesus?
- 2) How does Jesus show His love for Judas? How do you show your love for your friends? For your enemies?
- 3) Think about a time where you experienced betrayal. How did you handle it in the aftermath? How should we handle it? What lessons can we learn from Jesus in the text about handling betrayal?
- 4) I know it is difficult to identify with Judas, and rightfully so for the Christian, because we have faith that Judas never had; however, what similarities do you see in the way Jesus loved Judas and the way He loves us? Does it give you hope that He loved Judas to the end?
- 5) Read **Romans 5:8** and discuss the implications of the goodness of Jesus in that He woos us in spite of our present sinful position. How does your heart respond to Him?
