

It's Fam Jam' week (Sunday–Wednesday), our version of vacation Bible school for the family, we are mixing things up this year. We invite you to come out each evening; supper will be served (5 PM, see menu) in the Fellowship Hall and the program begins at 6 PM in the "chemistry lab" (Worship Center). Today we will have a "carnival" from 4 till 5:45 to kick things off (inflatables and mechanical rides). Don't just drop the kids off, as there will be something for the young and old alike.

In the month of July we cancel Wednesday evening events (providing a break for you) and an opportunity for our staff to work on campus improvements (installing a phone intercom system that is connected across campus, security cameras, modular improvements, carpeting the Worship Center, & reworking the platform) developing plans for the fall and enjoying some family time as well.

**Today's Sermon: "A Healthy Church"**

Similarly to how truths and facts in the scientific world are determined and measured by formulas and equations, the health of a church can be determined by a simple (yet much less scientific) formula as well. So what does a healthy church look like?

Healthy Church = EDFSW

S = MGT

**Next Week: Monsters Inside of Me, the Cancer of Discontentment.**

I was happy with my home until I saw my neighbors, my car runs fine but it sure would be nice to have a newer model, our 50 inch flat screen tv was nice when we bought it but have you seen those new LG 65 Class E8 OLED 4K HDR AI Smart tv? We live in a world that is never satisfied. We will take a look at several folks in the Bible that were discontent and close with Paul's words in Philippians 4.
